## Live Specimen Supply

### TOP Sellers

(Click Specimens For Info)

For over forty years, GSML has supplied schools and research laboratories with live marine animals and plants from the Gulf of Mexico. We are a 501(c)3 Non-Profit organization and one of the oldest and most dependable marine biological supply in the U.S.. GSML has been cited in [Google Scholar](#) by over 600 scientific publications. Educators and researchers have relied on our shipments since 1964, for labs, invertebrate zoology, embryology and cancer research. We guarantee live delivery and customer satisfaction. Order by phone, fax, or e-mail.

To see a list of the specimens to order head to our website, [www.gulfspecimen.org](http://www.gulfspecimen.org) . It's packed with useful information, including specimen worksheets for younger students.
